

MCTprocal™

DESCRIPTION

Medium Chain Triglycerides (MCT) based powder, containing a blend of carbohydrate and protein with a neutral taste.

USE UNDER MEDICAL SUPERVISION

INDICATIONS

For the dietary management of disorders of long chain fatty acid oxidation, fat malabsorption and other conditions requiring a high MCT, low Long Chain Triglycerides (LCT) diet. Suitable from 3 years of age.

DOSAGE AND ADMINISTRATION

To be determined by the clinician or dietitian and is dependent on the age, body weight, and medical condition of the patient.

PREPARATION GUIDELINES

Add MCTprocal to appropriate food or drink and stir until powder is dissolved.

MCTprocal can be used in cooking and baking.

Serving suggestions and recipes for MCTprocal are available on request.

Not suitable for addition to fruit juice.

STORAGE

Unopened — Store in a cool dry place.

Opened — Packets are designed for single use and should be used once opened. Any unused powder in an open packet should be kept in an airtight container, or sealed with a clip and used within 24 hours.

IMPORTANT NOTICE

Must only be consumed under strict medical supervision.

Suitable from 3 years of age.

Not for intravenous use.

For enteral use only.

Not for use as a sole source of nutrition.
