

Leucine100

DESCRIPTION

A powdered Leucine amino acid medical food on a carbohydrate base.

USE UNDER MEDICAL SUPERVISION

INDICATIONS

Leucine100 is for use in the dietary management of inborn errors of metabolism such as branched chain amino acid metabolism and Urea Cycle Disorders, to provide specific amounts of Leucine unable to be achieved by dietary modification alone. Suitable from 1 year of age.

DOSAGE AND ADMINISTRATION

To be determined by the clinician or dietitian and is dependent on the age, body weight, and medical condition of the patient.

Each 4 g packet of Leucine100 provides 100 mg of Leucine.

PREPARATION GUIDELINES

1. Measure out 2 fl oz (60 ml) of water into a cup with a lid.
2. Add one packet.
3. Shake vigorously for 30 seconds.
4. Wait 5 minutes, shake and serve immediately.

STORAGE

Store in a cool dry place.

Packets are designed for single use and should be used once opened.

IMPORTANT NOTICE

Must only be used under strict medical supervision.

Not for intravenous use.

For enteral use only (oral and tube feeding).

Not for use as a sole source of nutrition.
